October 15-30, 2018

Dear Kimbell Circle Members,

Join the Kimbell "Down Under" on a once-in-a-lifetime artistic journey through the great cities and incredibly scenic landscapes of New Zealand and Australia, just as springtime blooms in earnest.

Begin by exploring both the North and South islands of New Zealand, stopping along the way to visit amazing private art collections, beautiful private garden estates, and the country's best museums. The mountains, fjords, and winelands of the South Island will delight you, as will the spa treatments at our fine lake district hotel. Flying to Australia, we spend seven days taking in the cultural splendors, natural beauty, and great food and wine of Melbourne and Sydney. Private collectors will open their homes, museum directors will escort us through their collections, while garden owners and top winemakers will also grant us special access to their private homes and beautiful vineyards. In Sydney, we will charter a yacht for a private cruise on Sydney Harbor, dine at some of the city's finest restaurants, and enter sleek, beautiful private homes and galleries. For those wishing to extend their time in Australia, an optional extension to the Great Barrier Reef and Daintree Rain Forest will be offered.

Main tour price per person is \$14,995 (based on double occupancy). Single supplement is \$3,395. The optional tour extension to the Great Barrier Reef price per person is \$3,795 (based on double occupancy). Single supplement is \$795. International airfare to New Zealand and Australia is not included.

Curatorial leadership for the main tour will be provided by George Shackelford, Deputy Director of the Kimbell Art Museum. Tour logistics support for both tours will be provided by Robert McAn, Head of Membership and Special Events, Kimbell Art Museum.

Tour management will be provided by Jordan Cook, President of International Seminar Design, Inc. The Kimbell Art Museum has been working with I.S.D.I. for 14 years to provide custom-designed international tour programs.

For more information about the tour, or to hold a space in advance of completing registration, please feel free to call Robert McAn at 817-288-3227.

Please note: Space will be limited for this tour, and we do expect the tour to fill quickly, so don't delay if you are interested.
